Larsen Insurance Agency is wonderful. The staff responds quickly to all of our needs and helps us to stay on top of our policies. **Jennifer Bednasz**

Buying our first house was a milestone event, and luckily we were referred to Larson. We didn't know much about buying insurance but Heidi walked us through the process and explained all of the options. In the end we settled on a great policy that gives us peace of mind at a great rate. Heidi checks in periodically, and we appreciate that level of customer service. **Dawn Bogis**

I love using Larsen as my Insurance agency! Everyone is ALWAYS friendly, helpful, and very responsive when I call the office. Not only WOULD I recommend them to others I DO whenever someone I know is looking to shop out their homeowners or car insurance.
